

NEW REVIEWER

APPLICATION PROCESS

REVIEW THE REQUIREMENTS

Go to the SSH Website and review the requirements and the scoring rubric.
<https://www.ssih.org/Credentialing/Accreditation/Become-an-Accreditation-Reviewer>

CREATE LETTER OF INTENT

Let us know why you want to become a reviewer. Highlight your experience with simulation and your involvement with SSH.

UPLOAD AN SSH BIOSKETCH

Make sure to highlight your activities related to simulation. This includes publications, certification, accreditation, and work with simulation entities.

SOLICIT A LETTER OF SUPPORT

Consider obtaining a letter of support from a current reviewer, team lead, or your current boss to highlight your credentials.

COMPLETE THE SITE REVIEWER APPLICATION CHECKLIST

Make sure that you address all the prompts in the checklist within your documentation for submission.

SUBMIT APPLICATION

Submit the application via email to Kristyn Gadlage at SSH.

APPLICATION REVIEW

Applications are reviewed by the reviewer sub-committee on a rolling basis using the scoring rubric to assure standardization of the process.

NOTIFICATION

You will be notified by Kristyn Gadlage when the review of your application has been completed. This process usually occurs within 30 days of your application submission, unless documentation is missing, which could delay the review.
